

Sequoia Hills Stables Equipment List for Summer Camp

Below is a list of suggested equipment and apparel for Summer Riding Camp:

1. One pair of riding boots or paddock boots that have at least a ¼ inch flat heel.
2. All students are required to wear a riding helmet, meeting ASTM/SEI standards. Some helmets are available to borrow if need be. New helmets can be purchased locally.
3. Students should wear long jeans, riding tights or breeches for riding and any shirt that is not sleeveless. Short sleeves are OK.
4. Knee-hi socks are recommended to avoid chafing from the stirrup leathers.
5. Students should bring a water bottle with their name on it. Fresh, cold water will be available.
6. Sunscreen is highly recommended, as well as a hat with a visor for when they are not riding.
